## FROM THE DESK OF THE IMPACT INVESTOR

“Educate Girls focuses on improving girls' education in the worst gender gap districts in India. In only 3 months, the Creative Learning and Teaching methodology adopted by Educate Girls has significantly improved students' learning levels across Hindi, English and Mathematics. This innovation from Educate Girls has the potential to expedite the achievement of the Millennium Development Goal of promoting gender equality and empowering women.”

Govind Shivkumar - Investment Manager, India - LGT Venture Philanthropy
