The Creative Classroom Wins Again!

educate girls

Educate Girls has made schooling in grades **3, 4 & 5** exciting and simple by using CLT **(Creative Learning & Teaching)** tools for Hindi, English and Math.
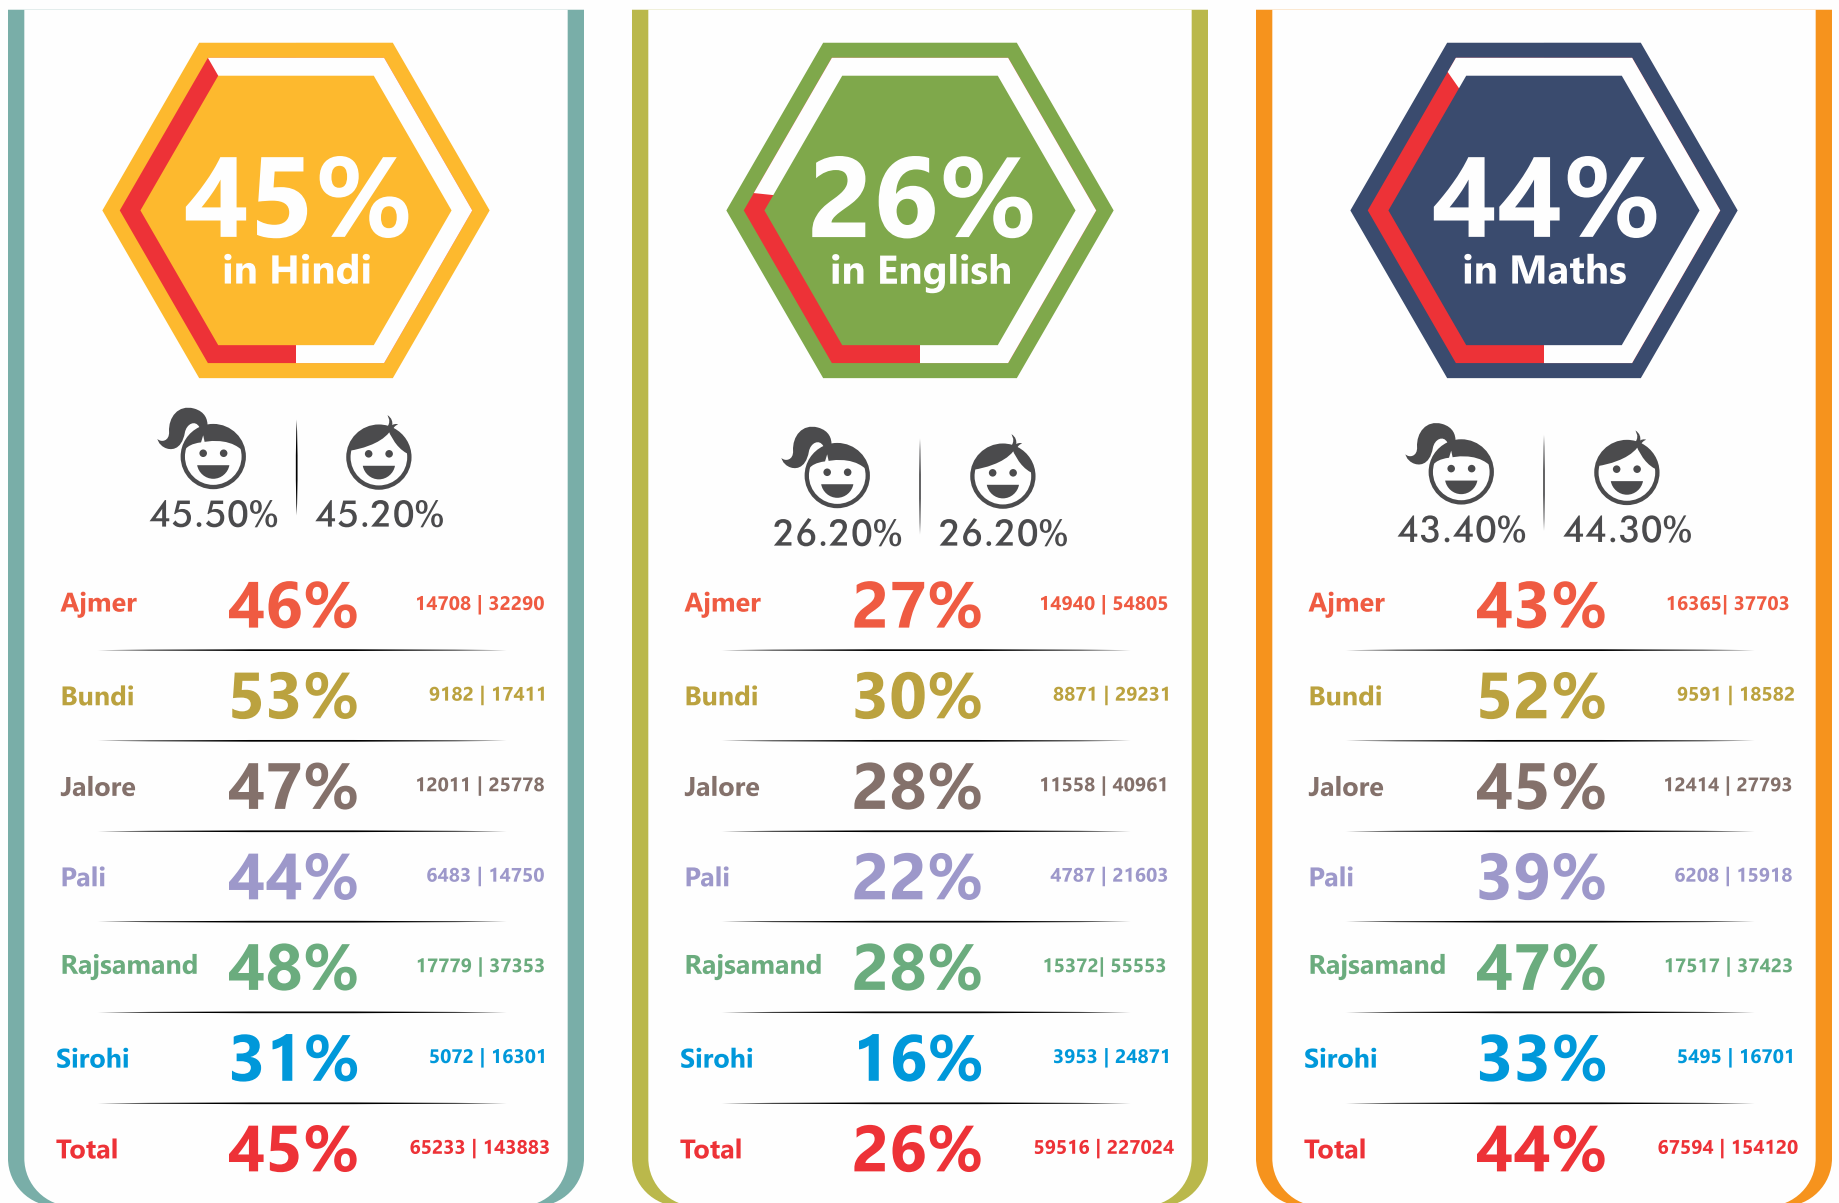

These activity-based, child-friendly and fun elements keep students interested, while improving their quality of education!

Take a look at how using these tools in 2015-16 have helped notably increase learning levels for the children!

56,681 Girls benefitted & **49,605** Boys benefitted Across **3399** Schools in Rajasthan →
