Vision- We aim to achieve behavioural, social and economic transformation for all girls towards an India where all children have equal opportunities to access quality education.

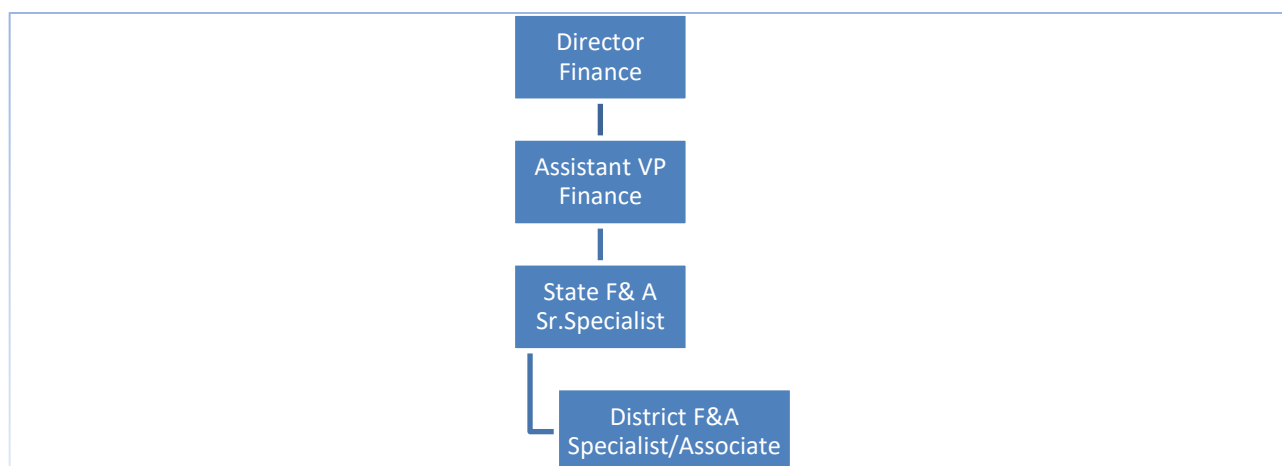

Background- Educate Girls (a project of 'Foundation to Educate Girls Globally') is a non-profit organization that focuses on mobilizing communities for girls' education in India's rural and educationally backward areas. Strongly aligned with 'Right to Education Act' or the 'Samagra Shiksha' the organization is committed to the Government's vision to improve access to primary education for children, especially young girls. Educate Girls currently operates successfully in over 20,000+ villages in Rajasthan, Madhya Pradesh and Uttar Pradesh. By leveraging the Government's existing investment in schools and by engaging with a huge base of community volunteers, Educate Girls helps to identify, enrol and retain out-of-school girls and to improve foundational skills in literacy and numeracy for all children (both girls and boys).
